Excellent event. Well organized with a tremendous slate of speakers. Thank you for hosting.

Alabama Insurance Day (I-Day) raises funds to support the University of Alabama's Risk Management & Insurance | Actuarial Science program.

Sponsors are an integral part of the program and help provide scholarships, student travel, leadership development, distinguished speakers, and more experiential learning opportunities. In return, sponsors receive both event-day visibility and year-round engagement with students and the RMI | AS program.

Five sponsorship levels are available: Capstone, Gold, Silver, Bronze, and Patron. Each level includes a combination of on-site benefits during I-Day and year-round program recognition, as outlined below.

Sponsors also receive invitations to the William H. Rabel Executive Reception honoring speakers, sponsors, and program supporters which will be the evening before the conference. A separate invitation will be emailed to the person designated to receive it.
